FOUNTAINDALE BOY'S LETTER GETS RESULTS

Robert Lowe, the little Fountaindale boy who wrote to Santa and asked nothing for himself, is discovering daily that there are a lot of Santas just waiting for the opportunity to give.

Since Robert's letter asking everyone to "stop the offel war" and asking for coal and food for his great-grandparents appeared in a Philadelphia paper, a steady flow of mail from throughout the country has been arriving at the home of the eight-year-old youngster.

Approximately 50 letters have been delivered to the youngster containing congratulations, promises to pray for peace, and gifts for Robert and his sister, Linda, aged five. Wednesday, a little letter for Christmas, a box of toys arrived.

Parents Embarrassed
Locally the VFW took a box of toys to the youngster for Christmas while the Huntingdon VFW provided coal and turkey dinner for Robert's great-grandparents there.

To Mr. and Mrs. Robert Lowe, young parents of Robert and Linda, the whole thing has proven a bit embarrassing. Mr. Lowe, a wounded World War II veteran, and a carpenter and general handyman, and his wife were both startled and proud of their child's letter.

The first information they had that he had written the letter and sent it to the Philadelphia paper came when the rural mailman asked whether Robert had "won a prize for his letter in the paper." They quickly opened the paper, read the letter, thought it nice that their son would write the letter, but told the mailman there was no prize.

The next day letters began to arrive and have been coming daily since.

For Robert, a slim, wide-eyed, bright youngster, the letters and gifts have made it the most wonderful Christmas so far even though he can't quite understand why people he does not know should send so much.

MOST STORES TO CLOSE MONDAY FOR NEW YEAR'S

A majority of Gettysburg's retail establishments will be closed next Monday, December 31, all day, the Retail Merchants association said today, following the compilation of a post card poll of the association's 97 members. Tuesday will be a legal holiday observed by all.

The major exceptions will be the grocery stores and service stations. Those who have shopping to do for the New Year's Day dinner will find most of the food stores open on Monday, and most service stations will remain open for business, according to the merchants' association.

Twenty-eight members of the Retail Merchants association voted in favor of closing on Monday, and 19 showed on the post cards they returned to Secretary Frank Hower that they were against closing and in favor of remaining open, according to Charles B. Bender, president of the association.

A large number of the members did not return their cards and did not signify a preference for either closing or remaining open.

To Adopt '52 Calendar

Most clothing stores, shoe stores and similar business places were in favor of the closing, the tabulation showed. Grocery and food stores voted almost unanimously to remain open.

The closing on the day before New Year's is an innovation in Gettysburg. The question was discussed at the last regular meeting of the merchants association early in December. It was voted then to submit it to a post card poll, and abide by the majority vote.

A special meeting of the Retail Merchants association will be held Friday evening at 7:30 o'clock at the court house to adopt a calendar of closing days for 1952 and to discuss the proposed Gettysburg sales days tentatively set for February, Mr. Bender said.

Russia Agrees To Kennan As New U.S. Ambassador

Russia has agreed to accept George F. Kennan as the new U.S. ambassador to Russia, almost at the same time denouncing him as a foe of the Soviets, the Associated Press said today.

President Truman announced at Kansas City last night the selection of the 47-year-old career diplomat, who is credited with being a principal author of the present American

policy of containment to counter the threat of Communist aggression. Kennan will succeed former Rear Adm. Alan G. Kirk, whose request for retirement was accepted.

The announcement was made after the Kremlin orally informed the White House that Kennan would be acceptable. There had been some speculation that he would be turned down. It arose after attacks on him by both Pravda and radio Moscow, the latest only Wednesday.

Kennan, former State Department counselor and recently chief of Secretary of State Acheson's policy planning staff, is now on leave with the Institute for Advanced Studies at Princeton, N. J. He is expected to take over the ambassadorship probably in April.

Short said his nomination would be submitted to the Senate for con-

VFW HELPS SEEK "MOST WORTHY" VET FOR FARM

Selection of a three-man committee to conduct a local search for the "most worthy" veteran in the United States to be awarded a fully-equipped and irrigated \$50,000 farm on the Columbia Basin Federal Reclamation project in the state of Washington was announced Wednesday evening by Commander Arthur H. Roth at a regular meeting of Post No. 15, Veterans of Foreign Wars.

The men who will conduct the local search are: Frederick Block, Abbotstown; Edward Beard, Gettysburg; and Lloyd W. Garretson, Biglerville R. 1. Block is connector with the G.I. farmer training program in Adams county. Beard is a former Veterans Administration training officer, and Garretson is a well-known farmer in the Biglerville section.

The national winner will receive the 80-acre farm. The farm is now in sagebrush, but during a ceremony in May 1952, Columbia river water will be delivered to the land, transforming it into a fully developed irrigated farm. The veteran who wins the place will get it equipped with a three-bedroom house, farm buildings, farm machinery, livestock and crops planted.

May Form Drum Corps

Commander Roth announced a meeting of all those interested in a Gettysburg Post No. 15 drum and bugle corps to meet at the post home on Friday, January 11. "It is not necessary to have experience in order to be in the corps," stated Commander Roth.

The week of January 24-31 has been set aside as National VFW week, and the local post will observe the celebration.

At a home association meeting following the post meeting the following nominating committee to select nominees for directors of the home association was appointed by President James Knox: George C. Fissel, John Rommel, Donald Hubbard and LaVern King.

30-Day Korean Cease-Fire Line Agreement Ends Today; Down Red Jets In Air War

Seoul, Korea, Dec. 27 (AP) — American Sabre jets shot down two Red jets and badly damaged another in a renewal of air battles over north-west Korea today, the Fifth Air Force reported.

The MIG-15s were shot down in a 30-minute battle between 32 Sabres and 50 flight-minded MIGs.

Earlier 100 MIGs had run for cover when a flight of Sabres opened up on them. The Fifth Air Force said no American planes were hurt in either encounter.

Reds Attack On Ground

The air war broke out anew in clear skies as Allied infantrymen fought in knee deep snow and sub-zero temperatures near Heartbreak ridge to regain an advance position cut off by the Reds.

The Communists have been fighting intermittently since Christmas night to capture and hold the outpost.

A company of Reds attacked again shortly after last midnight, just 24 hours before the end of a 30-day truce trial period. The fight continued through the bitter cold early morning darkness. By 7 a.m. the Reds cut off the position.

United Nations troops counter-attacked at 11:10 a.m. the U. S. Eighth Army reported, and at noon "were fighting in knee deep snow to regain the position."

Near-Zero Weather

Chilled infantrymen of both sides stayed mainly behind their own lines. Patrols, as always, roamed to no-man's-land between. The U. S. Eighth Army reported that, for the third day within a month, no American soldiers were killed in ground action in the 24 hours ending 6 p.m. Wednesday.

Temperatures on the eastern front dropped to an icy 5 degrees above zero (F) and were well below freezing elsewhere.

In the air, while the Sabre jets hunted for MIGs and new cover for heavier planes, fighter-bombers resumed their relentless attacks on North Korean roads, rails and supply lines.

Hungary Now "Considering" Freeing Yanks

Vienna, Dec. 27 (AP) — The U. S. embassy here said tonight the Hungarian Communist government is "till considering" the American offer to pay a fine for the freedom of our jailed U. S. fliers.

Such a stand conflicted with the unambiguous Hungarian position in Washington last night that the offer of \$120,000 in fines—called a ransom in the west—had been accepted for the prompt release of the four men.

In Washington, the legation said at noon (EST) that no further word had been received from Budapest. The press attaché, Madame Zsuzsanna Szucs, said the only information received by the minister, Dr. Emil Weil, was last night's message saying the American offer to pay the fines had been accepted but that the fliers could not be released before today because of a Hungarian Christmas holiday.

Tonight's development raised doubts on the status of negotiations for release of the fliers, convicted of violating Hungary's borders after their plane lost its course on a Munich-Belgrade flight. It seemed possible the Hungarians had raised new conditions.

The ambassador here, Walter J. Donnelly, talked with George Abbott, U. S. charge d'affaires in the American legation at Budapest. "The Hungarians merely told Abbott our proposition was being considered," Donnelly said.

But American officials in Budapest still hoped the fliers soon would be on their way to freedom. Abbott also expressed hope that the Hungarians—when their decision was made—would turn the fliers over to the U. S. legation in Budapest rather than dump them on the Austrian border without previous notice.

GOOD EVENING
JOINT ACCOUNT — A bank account in which a husband deposits money and his wife draws it out.

Munsan, Korea, Friday, Dec. 28 (AP) — The 30-day Korean cease-fire line agreement ran out today on "a rather ominous note" in truce talks about Allied prisoners of war deaths.

There was no indication here of plans to extend the agreement responsible for the 30-day twilight war. The full five-man armistice committee which signed the original agreement November 27 did not even meet. An official U.N. spokesman said neither side asked for an extension.

But in a subcommittee session at Panmunjom Thursday, Rear Adm. R. E. Libby said the Communists hinted: They may report many of the 50,000 unaccounted for Allied prisoners of war died of exposure and disease.

Still Deadlocked

Libby said it was "a rather ominous note. It might have been a forewarning that all these people died of illness."

Subcommittees working on the problems of exchanging war prisoners and supervising a truce still were deadlocked when they adjourned their last session before the scheduled expiration hour. The agreement was timed to run out at midnight (10 a.m. EST) Thursday.

Each committee scheduled another meeting for 11 a.m. Friday (9 p.m. EST Thursday) in Panmunjom.

Ready To Extend Truce

Washington sources expressed belief Gen. Matthew B. Ridgway would approve a 15-day extension of the period in which the 146-mile line drawn across Korea November 27 could become a permanent cease-fire line.

High diplomatic officials in Washington said the supreme U.N. commander had been authorized to approve an extension of up to 15 days if he felt there was hope of reaching an agreement.

On November 27 negotiators drew a tentative cease-fire line and agreed it would become the center of a 2½ mile wide buffer zone if an armistice were signed within 30 days. Otherwise the line would be redrawn just before a truce is signed to follow changes resulting from battle action.

Expiration of the cease-fire line agreement could bring an explosive end to the month-long lull on the battle front; or the twilight war could continue while negotiations go on.

Exchange Charges
In Thursday's fruitless talks in snow-swept Panmunjom each side accused the other of needlessly delaying the truce.

North Korean Maj. Gen. Lee Sang Cho charged that the U.N. wasted time by refusing to agree to a Communist proposal for an all-for-all exchange of prisoners.

Rear Adm. R. E. Libby told the fliers they waited 12 days by refusing to set up a prisoner exchange subcommittee, then delayed for another eight days before agreeing to exchange prisoner lists. The list finally submitted by the Reds was "fatally deceptive," Libby asserted.

Ask More Facts

In a nearby tent, the Communists verbally promised not to build up their armed strength during an armistice. But they refused to put it in writing.

Libby asked the Reds for more information on the 726 American prisoners the Reds said Wednesday had died, escaped or been

New York, Dec. 27 (AP)—The stock market held steady today after a hesitant start. Alumni-GHS Cagers Clash Friday Night; Old Timers Play Opening Game At 6:45

Basketball as it was played many years ago, and that of today, will be offered local fans Friday evening when the Gettysburg high school varsity and alumni stage their annual cage program.

The first game of the evening, starting at 6:45 o'clock, will be played under old-time cage rules while the second game will be under present-day regulations.

Ex-Gettysburg high stars prior to 1933, known as the "Old Timers" will be pitted against a squad composed of the members of the 1933 and 1935 teams in the 20-minute game which will be played under rules of long ago. Originally it had been planned to stage the game between teams composed entirely of old timers but an insufficient number could be secured for such a game and the switch in plans was made.

List Old Timers

Performing for the Old Timers will be "Hen" Bream, "Yockey" Bream, Bill Scott, Dave Oyler, Russ Gilbert, Charles Lightner, Marby Little and Art Buehler. They will be managed by "Wib" Weikert.

Opposing them will be a team made up of Harry Ridinger, Bob Shearer, "Honey" Rostle, Nick Jones, Ken Knox, Don Sheely and "Harm" Furney, of the 1933 title team, and Marv Socia and Phil Everhart, of the 1935 champs.

Attorney Gene Hartman will be the officials for the game. Former rules revived for the game will be the center-jump after each goal, and elimination of the 10 and 3-second rules.

George Forney's Warrior varsity, with a 1-2 record, will meet a squad made up of players from the 1941-42-43 championship teams in the regulation game.

Face Warrior Varsity

Among those who plan to play against the varsity are the following: 1941, Fred Hankey, Tommy Cline, Ross Sachs, present junior varsity coach at high school; 1942, Max Sherman, Sachs, George Boehner, Bern Frazer, Maurice Steinour and Jimmy Spahr; 1943, Sherman, Sachs, Billy Ogden and Gaylord Fissel.

Luther Sachs, Jr., will again be in charge of the team to lace the high school regulars.

It was pointed out today that both of the alumni squads may have additional players in uniform for Friday's engagements.

This evening the alumni cagers will practice in the school gymnasium from 7:30 until 9:30 o'clock. They held their initial workout Wednesday evening.

Following the game the annual Christmas dance of the Alumni association, now celebrating its 50th anniversary, will be held. Music will be furnished by "Jake" Ruth and his orchestra from Carlisle.

ANNUAL BIG 7 CAGE TOURNEY GETS UNDERWAY

Kansas City, Dec. 27 (AP)—The Kansas State Wildcats take their first step in the Big Seven conference's annual December basketball tournament tonight with toes and fingers crossed.

Coach Jack Gardner's K-Staters, who meet Nebraska in the final set of first round games, sat in the stands last night as favored Kansas university looked average in beating Colorado 76-56 and Oklahoma upset previously unbeaten Stanford, 77-71.

The pre-tournament favorites were Kansas, Stanford and K-State. With a little more luck in their shooting, the Colorado Buffaloes might have made it a night of two upsets. The Buffs out hustled Kansas all the way but were able to connect on only 21 of their 87 tosses.

Kansas, with huge Clyde Lovellette scoring 23 points, averaged 50 percent from the field, making 26 of 52 shots. Lovellette brought his season total to 220 points for 8 games this season — all Jayhawk victories.

Stanford loses first Oklahoma, which entered the tournament with a record of only one victory in six starts, handed Stanford its first defeat in nine games as Oklahoma's Sherman Norton broke the meet scoring record with 39 points.

Kentucky, the country's No. 1 ranked team, and St. Louis, No. 12, turned up for their appearance in the Sugar Bowl tourney Friday and Saturday with easy victories.

Kentucky, with Cliff Hagan sinking 34 points, routed UCLA, 84-53. St. Louis took an early 15-1 lead to drub Dartmouth, 63-45.

In the Southwest Conference tourney at Dallas, Texas A&M beat Arkansas, 49-46, and Texas took Southern Methodist, 58-42.

Ohio State opened a far west tour by beating Oregon State, 61-57. The Buckeyes took an early lead and stayed in front all the way.

Fordham was upset by St. Francis of Brooklyn, 54-52.

Robinson, Matthews Share Ring Honors

New York, Dec. 27 (AP)—Middleweight champion Ray Robinson and light heavyweight contender Harry (Kid) Matthews share the honors in Ring magazine's awards for the year.

Editor Nat Fleischer named Robinson "fighter of the year" and selected Matthews as the best all-around fighter of the year. The awards and Ring's annual ratings were announced in a copyrighted article in the February issue of the boxing monthly.

It was the second time in three years that Sugar Ray has been chosen for fighter of the year laurels. Fleischer awards it to the boxer who combines boxing proficiency with sportsmanship and contributes to the uplift of the sport.

Matthews was selected by Fleischer for "his cleverness, hitting power, ring generalship and triumphs over all opponents regardless of weight."

Fleischer backed up his choice of Matthews by designating him as the No. 1 challenger for light heavyweight Joe Maxim.

Sports Roundup

By HUGH FULLERTON, JR.

New York, Dec. 27 (AP)—There's no need to look at the calendar to see that winter has arrived; the sports pages will do. . . . The Professional Golfers association already has been blasted from both the players' (Jimmy Demaret) and the sponsors' (Harlingen, Tex.) side. . . . Sammy Snead has decided to settle down in his new Miami home instead of pursuing the elusive buck around western golf courses all winter. Dick Savitt let out a bleat heard halfway around the world when he was by-passed for Ted Schroeder in the Davis cup matches. . . . (For all his 30 years we'd like to have Schroeder on our side in a tennis match or alley fight). . . . Baseball fans are studying averages and emitting low, plaintive moans over the failure of their favorite teams to make trades. . . . The telephone jingles merrily as the "Alumhouse of Akorn" calls to ask the point spreads in last night's games. . . . And Bob Smith of Texas A. & M. must have aroused some mixed emotions among the folks who decry post-season football when he returned home after being declared physically unfit for the East-West game. "It just makes me sadder to be around and not able to help," he explained.

A couple of weeks ago the Geneva, N. Y., high school basketballers got excited at the opening tip-off in a game against Newark high, popped a shot into the wrong basket and lost 34-30. . . . So just before the next game against Penn. Y. academy the other night, Coach Harold (Doc) Bonesteele called his boys together, solemnly pulled a road map out of his pocket and spread it on the floor to show them the right direction. . . . Geneva won 46-37.

ONE-MINUTE SPORTS PAGE
When the Football Writers Association of America polled its members on the "man of the year," 171 of them spread their votes among 61 different candidates, most of whom received no more than two votes. Eighty-one others said there was no worthy candidate so the association let the majority rule and passed the award. . . . Virginia's Jimmy Lesane, who played behind Vanderbilt's sensational Bill Wade in the North-South game Christmas night, has been a second fiddle guy through most of his collegiate career. But when Coach Art Guepe converted him into a defensive half-back this year, Jimmy broke up seven Duke passes in one game and wound up being voted the team's most valuable back. . . . Saul Rogovin, who led the American league pitchers with a 2.78 earned run average last season, once attended a Dodge tryout camp. . . . Being a Brooklyn boy, he wanted to play for the Bums. But he also wanted a \$500 bonus to sign and the best offer was \$75 a month—take it or leave it.

The orphan court in Philadelphia had denied the child a share in the fund on grounds the grandfather "intended to restrict the legacies to grandsons living at the time of his death."

Tobyhanna, Pa., Dec. 27 (AP) — Mrs. David Dick, 70, of Avoca, Pa., was killed yesterday in an automobile collision in the Pocono Mountain region. State police said the accident occurred on an icy stretch of road on the Lackawanna Trail highway near here.

DONOGHUE GETS 2ND ROUND K. O.

New York, Dec. 27 (AP)—Rogers Donoghue, who wants to be a radio and television sports announcer, is making good in the radio-TV field—but as a boxer instead.

Making his debut as a main-eventer on a national network radio-TV bout at St. Nicholas Arena last night, lanky Roger floored Vinnie D'Andrea of New York three times to win a two-round technical knockout.

The six-foot, one-inch Yonkers, N. Y., welterweight shook off a staggering blow in the first round and then dropped his New York rival twice for eight counts in the same round.

In the second, Donoghue decked D'Andrea for nine with another smashing left hook just before the bell.

Dr. Vincent Nardiello ordered the bout halted. It was listed as a two-round kayo.

Donoghue, a 2 to 1 favorite, outweighed the loser, 153 to 148 1/2. It was Rogers' 17th knockout win in 31 bouts.

Try Exchange Of Prisoners' Letters

Tokyo, Dec. 27 (AP)—The Allies and the Communists took steps today to clear the way for prisoners of war to exchange letters with loved ones at home.

U. N. spokesmen said relatives and friends writing Allied prisoners held in North Korean camps should address letters to: APO 100, care postmaster, San Francisco.

Col. C. C. B. Warden, adjutant general of the Far East command, said letters sent to this address "will be held until permission is given to effect the delivery." That must come from the Communists.

When the Reds give an OK, presumably mail to Allied prisoners will be handled in the same fashion as mail from them—passed from one side to the other over the truce negotiation table at Panmunjom, Korea. The Reds delivered 803 letters yesterday. They arrived in Tokyo today and were turned over to U. S. army postal authorities.

Yosko (Northampton) made the statement in a letter made public to Auditor General Weldon B. Heyburn.

Washington, Dec. 27 (AP)—The American people produced more and spent more this year than in any other year in history. And the new records probably will be broken in 1952, Secretary of Labor Tobin reported last night.

In a year-end report, Tobin also said Americans saved more in 1951 than ever before—\$8 out of every \$100, as compared with \$5 out of every \$100 in 1950.

TWENTY YEARS AGO

Embolism Is Fatal for Miss Anna Hake: Miss Anna Margaret Hake, assistant principal at Gettysburg high school and a teacher for more than 40 years, died suddenly at the Warner hospital, Sunday evening at 5:25 o'clock of an embolism, presumably induced by the injuries and shock she suffered in an automobile accident on Monday evening, December 14.

She was the second victim of the three-car crash on the Lincoln highway, three miles west of here, Richard Henry Thomas having been instantly killed in the crash.

License Issued: A marriage license was issued Saturday at the office of W. A. Geiselman, clerk of the courts, to Francis Albert Dillman, Gettysburg, and Helen Mary Livingston, Butler township.

New Agent: J. A. Phiel, 38 York street, has announced that he is the new agent in Gettysburg for the Dodge and Plymouth automobiles.

Mother Seton To Be One Of New Saints To Be Proclaimed: Elizabeth Ann Seton, known universally as Mother Seton, who was the foundress of the Sisters of Charity, is one of the eight citizens of the United States, four of whom are women, who probably will be proclaimed saints from the cases now under consideration by the Congregation of Rites, according to a dispatch from Vatican City. Mother Seton spent many years of her life in Emmitsburg.

The progress of canonization is a long complicated and thorough one and the final steps to sainthood are yet to be taken.

Announce Marriage Of Local Couple: Mr. and Mrs. Paul M. Sterner, of Granite Station, have announced the marriage of their daughter, Miss Pauline Gertrude Sterner, and Lloyd J. King, son of Mr. and Mrs. Daniel B. King, Fourth street. The couple were married secretly at Hagerstown, July 11, 1931, by the Rev. J. S. Simon, pastor of Trinity Lutheran church.

Mr. King is employed by the state highway department in York.

Gettysburg Girl Wed On Thursday: Miss Sarah Elizabeth Trostle, Gettysburg, and Guy Taft Gordon, son of Marks Gordon, Freedom township, were married Thursday afternoon at 4 o'clock by the Rev. D. W. Woods, pastor of the Lower Marsh Creek Presbyterian church, at his home on Broadway. Mr. Gordon is a farmer.

Wed By Clerk: After issuing the couple a marriage license, Wilbur A. Geiselman, clerk of the courts, married Miss Geneva Louise Kaufman, daughter of Mr. and Mrs. Erwin C. Kaufman, Waynesboro, and Donald Glenn Benchoff, son of Mr. and Mrs. J. D. Benchoff, Greenstone, Thursday afternoon.

Holiday Cheer Spread Afar By Relief Groups: Christmas cheer was dispensed bountifully in Gettysburg and Adams county. The Red Cross, the Gettysburg Fire company, the American Legion and other welfare and relief agencies and philanthropically inclined individuals all did their share toward lighting up the dark places in town and county.

The Red Cross distributed 150 baskets of groceries.

The fire company held its annual kiddies party at the engine house Thursday evening and gave a treat to more than 1,400 boys and girls, the largest crowd in the history of the Christmas treats.

The American Legion is giving away 100 bushels of potatoes and other staples to needy families in Gettysburg and Adams county.

Employees Given Thousands In Christmas Gifts: Several thousand dollars were distributed among employees of Gettysburg's three furniture factories and the Hanover Cabinet company when the shops closed Wednesday evening for Christmas.

Today's Talk

By GEORGE MATTHEW ADAMS
SAY NICE THINGS

How would you like to be known as the one who is always saying nice things about other people? Be like that and people will search you out. We hunger for kindness and appreciation next to the hunger of the body.

Be kind. Be pleasant. Be considerate for the feelings of others and you will be on the only road that leads to daily happiness. Say mean things, criticize unjustly, find fault with others, hurt their feelings and you will be sure to leave scars in that person's heart that the hurt to yourself will be the greater.

"Kind words," wrote Tennyson, "are more than coronets," and the poet Ella Wheeler Wilcox once wrote that "just the art of being kind is all this sad world needs." What an uplift it is to any of us to have someone be pleasant to us, to compliment us when it is merited, and to overlook our faults—though they may be ever so numerous!

Say nice things to people, and they will say nice things to you. Who among us is, or who can say, that he is superior to us? We are all of a common mold, but with variations of thought and character that stamp each one of us as unique. Life itself is a compromise. Usually behind every unhappy argument is a sense of personal failure, jealousy or selfishness. By saying nice things you add to the health of your mind and body, and God Himself gives you a cheer!

One of the most beloved friends I have ever had is George Stimpson, a newspaperman and writer who lives in Washington, D. C. Thousands know and love him, and all because he is forever saying nice things about others. Presidents, Congressmen, Senators, other newspapermen—everybody who has ever met him—admire and love him. What a reputation to have!

A large proportion of our divorces would never have been had there been habitual nice things, instead of bitter and unhappy things said during marriage. I once heard a humorous story of a man who came running out of his house in great glee. A friend meeting him asked what it was all about. He said: "My wife almost called me honey." "Well, what did she call you?" "She called me old beeswax!"

Tomorrow Mr. Adams will talk on the subject: "Point-Of-View" Protected, 1951, by The George Matthew Adams Service

Just Folks

NOW THE WRECKAGE
Now the train is off the track. And the drumhead shows a crack. Something happened to the wagon. We had planned on taking back. Where the Christmas tree is standing.

Toys are strewn about the floor; But when New Year's Day is over We shall tidy up once more.

Of a dozen candy canes. Not a single one remains. On the walls and on the sofa There are sticky finger stains. Still upon the parlor table Mother's gifts are on display; But the ties and shirts for father Are already put away.

Now the turkey's three days old. In my fingers I must hold. Little scraps of light and dark meat. But I like it better cold. Soon the mistletoe and holly And the wreaths will disappear; Then we'll put the home in order For about another year.

League Elects Officers: At the recent annual meeting of Father Corby Council No. 10, Pennsylvania Catholic Beneficial League, the following officers were elected for the year 1952:

The Rev. Mark E. Stock, spiritual director; Charles F. Dillman, president; J. Donald Dillman, vice president; George F. Hemler, chancellor; Joseph E. Smith, orator; Edmund W. Thomas, marshal; Charles T. Jacobs, recording secretary; John E. Storm, financial secretary; Francis C. Redding, treasurer; James S. Fleet-Wing Cage Team Formed: The newly-organized Fleet-Wing basketball team held its initial workout Tuesday evening on the Hotel Gettysburg annex floor with a galaxy of former college and high school stars present.

That the Fleet-Wing tribe will have a powerful aggregation is very evident. "Hen" Bream will be a member of the squad. Glenn "Yockey" Bream is another candidate. Pairing off with Bream at forward will probably be Art Buehler. Lew Riley, giant six foot, three inch center, has been added to the roster. Noel Flynn, Norm Wermick and Merle Weikert are members of the

NOTE IN "BOTEL" NETS XMAS TREE

Rockville Centre, N. Y., Dec. 27 (AP)—Arthur H. Iles has a nine-foot Christmas tree in his home this year and he says he owes it all to casting an empty whisky bottle into the Atlantic.

That is, the bottle was empty except for a note Iles put in it. Iles said yesterday he threw the bottle into the Atlantic while he was a passenger on a ship last September 12 off Nova Scotia, which bristled with spruce.

Iles said he figured he was at the right place to get a Christmas tree, so he just wrote his name and address in the note and mentioned how nice it would be to have a spruce for the Yuletide.

A couple of days ago, a crate containing a tree was delivered to his home. With it was this note:

"Botel Fouled Me Net"
"I ain't much at penning but it is with pleasure I take me pen in hand to write you about you botel. I was out coddling Wednesday week and pulled in your botel fouled in me net. I was not far of Pleasure Beach on Newfoundland shore so I have been some days getting to home."

"I'll git Joe Canonthers to see if he can find you a pretty tree for you and the young ones. You ought to have your greens come next fortnight. You might have left a feller a taste in the botel again the chill wind these days."

"Yours, Jim Saunders."

The note bore no address and no postmark. The tree crate bore the name of Jim Campbell, of North Sydney, N. S.

Admits Slaying Of Parents On Monday

Laramie, Wyo., Dec. 27 (AP)—A 28-year-old railroad mechanic has admitted the Christmas Eve slaying of his parents "because my father was ill and I didn't want mother to be left alone," Sheriff Ted Burnstad said.

Dean Henderson, stocky, blond-haired father of a seven-year-old girl, pleaded guilty to his arraignment on Tuesday in justice court on first degree murder charges. He was bound over for district court trial without bond.

His father, John, 62, railroad roundhouse worker, and his mother, Ethel, 64, were shot in the head with a .30 caliber rifle at their modest Laramie home about 8 p.m. Monday.

Army Accused Of Inexcusable Waste

Washington, Dec. 27 (AP)—A Senate subcommittee has accused the army of "inexcusable and indefensible waste" by "endlessly repeating training cycles" for some units.

A report by the group said that while these units are "marking time" some other units are being

Joyce Stonesifer, Lois Myers, Walter Stonesifer, Jr., Darlene Lockner, Suzanne Lawyer, Janet Hildebrand and James Sells; part four, "Jesus, the Friend of the Children," Donald Snyder, Allen Bowersox, Melvin Leese, Earl Selby, Bernice Stonesifer and Donald Bowersox; hymn, "O Come All Ye Faithful," congregation; recitation, "The Giver," Terry Sells; closing prayer and the benediction by the Rev. trained at camps where there is not enough space for field work. "The nation gains no strength merely because more and more men wear army uniforms," the subcommittee said. "With our acute national manpower shortage, any assembly of able-bodied men into a non-productive enterprise like unnecessarily repeated training is the most flagrant sort of waste."

While rapping the army on this and other matters, the committee said it is clear that "no one service is more prodigal or more prudent than the others." Waste by military forces is not intentional, the report said, but "simply resulted from unconcern with economy, an absence of genuine enthusiasm for efficiency, a widespread lack of any real 'cost consciousness.'"

These tests were explained today to the American Association for the Advancement of Science, opening its 118th annual meeting, with thousands of scientists coming to Philadelphia for the rest of the week to make more than one thousand scientific reports.

In 1949 the United States produced 56,382,000,000 eggs.

U. S. To Reject Joint Command Proposal

Washington, Dec. 27 (AP)—The United States probably will turn down any new proposal by Great Britain to revise the "combined chiefs of staff," the joint high command, which shaped strategy in World War II.

There was belief in some quarters here today that Prime Minister Churchill might have this plan in the portfolio of proposals he is bringing next month to talk over with President Truman.

The Pentagon holds that while the combined chiefs agency was highly useful in the prosecution of an actual, global war, with all its ramifications, such a command would not be needed to operate in a North Atlantic alliance. Presumably this view has been passed along to the President.

The combined chiefs of staff was created in February, 1942, through agreement between Mr. Churchill and the late President Roosevelt. The organization then was about what its name indicated—the membership of the chiefs of staff of the two nations.

Los Angeles, Dec. 27 (AP)—The serenity and calm of Christmas in southern California was rent by a late afternoon earthquake that was felt in six counties but caused no damage. Epicenter of the tremor was in the Pacific ocean, south of San Clemente island. Ocean depths there range up to 6,600 feet.

East Berlin

East Berlin—Mrs. Martin L. Slough sprained her leg when she slipped on thin ice outside her kitchen door during one of the recent snowfalls.

John Gilbert Myers, son of Mr. and Mrs. Herman Myers, a junior at Penn State college, has been spending the Christmas holidays with his parents.

Charles Newton, accompanied by his neighbor, Woodburn Baughman, spent several days on a business trip to West Virginia.

Mr. and Mrs. Herbert L. Myers made a trip to Hanover during the past week.

The plans for a party with the exchange of small gifts among the students of the local high and graded schools, to take place before dismissal Friday, December 21, were cancelled and the young people given vacation a day earlier because of the storm which made it difficult for those living in rural areas to get into town.

Fred Brandt, son of Mr. and Mrs. Verne Y. Brandt, who entered the air corps during the summer and is now at Chanute Field, Ill., has been visiting his parents and sister, Ruth, during the Christmas season.

Mrs. G. W. Harlachner, near Dover, widow of a longtime minister of the Bermudian Church of the Brethren near here, remains a patient at the West Side Osteopathic hospital, West York, where she was taken a few weeks ago when she fractured both legs and injured her head and back in a fall down a flight of steps at her home. Mrs. Harlachner's condition is still reported as only fair.

Mrs. Daisy Reaser and daughter, Miss Ethel B. Reaser, spent Christmas at a family gathering at the Hanover home of another daughter, Mrs. Claude Stauffer.

A "Stop the Music" program, patterned after a familiar radio show will follow the baked ham supper at the hall of the Abbotstown Reformed church on Saturday evening for the 16th annual reunion of the Alumni association of the East Berlin high school.

Mr. and Mrs. Chauncey S. Mummert, York, former residents of this place, were entertained at dinner on Christmas by her parents and aunt, Mr. and Mrs. Bert W. Stambaugh and Miss Minerva Trostle.

Mrs. Raymond B. Stambaugh,

Paradise township, has been spending several days in York in attendance of her mother who has been seriously ill.

Mrs. Richard O. Riggs with her husband and son, Richard, Jr., was hostess at Christmas dinner to a number of members of her family. Among those entertained was her youngest brother, James W. Shetter, a student at Trinity college, Hartford, Conn., who arrived to spend the holidays with his parents, Mr. and Mrs. George L. Shetter.

The annual Christmas program of the Morning Hour Sunday school was presented to the public at the Victory schoolhouse northwest of town on Saturday evening.

The usual large number of visitors has begun to arrive at the home of Mr. and Mrs. Franklin S. Kunkel to view the elaborate Christmas tree garden which has been completed for 1951 by their 12-year-old son, Martin.

Young people of the Red Run Sunday school, near town, presented a Christmas program on Sunday to members of the congregation and their guests.

A congregational meeting for the purpose of electing members to the church council for the coming year will be conducted Sunday, December 30, at Trinity Lutheran church of which the pastor is the Rev. Lester J. Karshner. Proposed for deacons are: John E. Gentzler, Jr., Ira E. Lonsough, J. Calvin Lerew and Charles Spangler; elders, Verne Y. Brandt, Paul E. Jacobs, Raymond H. Fiesel and Norman Wolf.

Mr. and Mrs. Fred V. Baker and sons, Michael and Billy, have arrived from Rahway, N. J., to spend the Christmas holidays between the homes of her mother, Mrs. Cleason E. Smith, and his mother, Mrs. William P. Baker, Abbotstown.

Miss Kathryn Shank, who has a position in Harrisburg, has been visiting her parents, Mr. and Mrs. D. Webb Shank, near Germany schoolhouse. Miss Shank, during her visit, was an attendant at the wedding of her sister, Leurena, to Ralph Myers, Hanover, at the York Springs Methodist church.

The Chinese believe in the power of a little forest root—"Jin-tan"—to prolong life and rebuild flesh and spirit. Until recently about a million dollars worth of it was exported from the United States to China annually.
